

RICK SCOTT
GOVERNOR

July 2, 2014

Timber Pines
6872 Timber Pines Boulevard
Spring Hill, Florida 34606

Dear Friends:

Congratulations on Timber Pines being the Florida Communities of Excellence's Financial Innovation Award. The residents of Timber Pines are to be commended helping create a wonderful place where Floridians can achieve their version of the American dream. It is only in America that anyone from any family or zip code can have the freedom and opportunity to pursue the American dream, and there is no better place than Florida where that dream becomes a reality each and every day. Florida is experiencing a 43-year crime low, which improves the quality of life for families and benefits every aspect of each community.

As Governor, I am focused on three goals for our state: making Florida the No. 1 place for businesses to succeed, keeping the cost of living low for families and businesses, and making sure our schools prepare students for the career or college of their dreams. As a result, Florida is headed in the right direction by creating an opportunity economy where dynamic, growing industries create jobs and careers for generations to come.

You have my sincere thanks for all you are doing to make your community a great place to live. Your efforts are making the Sunshine State the greatest place to live, work, and raise a family.

Sincerely,
